INVOLVEMENT

ASID Student Chapter President, Fall 2021-present

Organized and lead all chapter meetings, school events, and marketing strategies by working with a team of officers.

ASID President Elect and Organization/Membership Chair, Fall 2020 - present

Assisting the current president in planning meetings and events, compiling membership information and recruitment of new members by working in conjunction with the other officers.

Freedom By Design Chapter Member, Spring 2020 - present

Meeting as a group to discuss real world issues and how we can make an impact through simplified conversations facilitated by design.

Winter Festival Project Coordinator, Fall 2020

Organize and coordinate light installations for the Garvan Woodland Gardens Winter Festival, maintaining communication between students, staff, and the Garvan Team in order to execute a cohesive and timely installation.

Fay Jones School Interior Design Faculty Search, Spring 2020

Provided virtual tours and information to each candidate, participated in conversations on their previous work experience and asked questions from the student perspective.

EMPLOYMENT

Interior Design Intern - DLR Group, Seattle WA

June 2021 - August 2021

Performed site verifications, construction site visits, as well as designing workplace projects from pre-design through construction documentation. Personal contribution of test-fits, 3D modelling and rendering, material selection while working with teams from various DLR Group offices across the nation.

Interior Design Intern - Innovative Business Interiors, Springdale AR

July 2020 - May 2021

200 Level CET Designer, working on various projects to construct furniture layout, specify product and materials, and formulate renderings and presentations to propose to clients. Working in all stages of a project including consultation with clients, providing alternatives and plans, project presentation, quotes and ordering of product, and visiting installations.

Life By Design Mentor - Fay Jones School of Architecture and Design, Fayetteville AR

August 2020 - October 2020

Met regularly with a small group of Interior Design students, recorded weekly attendance and graded assignments for small groups while balancing full coursework and internship.
