## S U M M A R Y

I am a third year Interior Design student at the university of Arkansas seeking a job that will allow me to use my creative skills and knowledge in a real-world design setting. I would like to pursue a career that is centered around historical preservation and restoration.

### Server

Marketplace Grill | 2018 — 2019

Marketplace Grill is one of the more prestigious restaurants located in the Springdale, AR area. They pride themselves on creating an exceptional dining experience

- My duties as servers involved every aspect of the restaurant's tasks. We did not serve on specific role as servers. Teamwork fueled this work environment, and everyone was involved in every aspect of the restaurant

### Manager

Green Acres | 2014 — 2018

Green Acres is a small-scale produce farm that provides produce all over the central Arkansas area.

- I was responsible for keeping track of deliveries, shipping orders, and general overseer of daily life on the farm. I also managed the on-site store while doing all the other tasks listed above.

### Lead Teaching Assistant

Dr. Goodstein-Murphy | 2020

For the 2020 life by design course at the Fay Jones School of Architecture + Design, I was handpicked by Dr. Goodstein to be the lead teaching assistant. I was tasked with being the coordinator for the other teaching assistants in the class, while leading a peer mentor group of my own. I was responsible for grading and relaying information to the upper faculty in charge.

### Fay Jones Design Camp Summer | 2020

Due to COVID-19, the Fay Jones School of Architecture + Design was forced to do an online design camp experience. I was hired to be part of the teaching team that delivered the educational materials virtually to the design camp students
