INTERIOR DESIGN INTERN

Experience

Local's Drive Thru

May 2021-Present

Barista

Entered into the coffee industry with no knowledge, but an excitement to learn. Through immersing into the world of coffee, a passion for serving customers and providing specialty drinks grew. Learned the needs for food service workers in interiors.

- Understand coffee and drinks in order to match tastes to customers
- Maintain relationships with regular customers, building rapport
- Craft espresso based drinks, through the knowledge of traditional beverages

Fay Jones School of Architecture and Design

June 2022

Design Camp Counselor

As a camp counselor for Design Camp, served highschool students who had an interest in architecture and design. Through this experience, a passion and excitement for working with and encouraging other young designers grew.

- Design nightly activities and weekend events for the students
- Build friendships with campers to create a welcoming environment on campus
- Understand Fay Jones School to communicate to campers what design school looks like

Martin Farms

May 2018-December 2021

In-House Display and Wreath Designer

Starting as a cashier, the owners noticed creative talents and was promoted to work as a display and wreath designer.

- Use fresh pine branches and knowledge of floral design to build wreaths
- Maintain display designs through each season and output of new products
- Serve customers through understanding of retail kitchen products

Leadership Experience

University of Arkansas Student ASID Chapter

Social Media and Marketing Chair

- Maintain graphic standards in ASID social media accounts
- Advertise upcoming events to all members
- Communicate with other chairs to promote all of their events
- Working across the school with other student organizations to build school wide activities

Volunteer Work

Sierra Student Coalition

- Cleans adopted trails at Lake Atalanta in Rogers, AR
- Promotion of sustainable living
- Volunteer opportunities across all outdoor spaces in the area
