## Activities/ Volunteer

### Peer Ministry Team Leader, St. Thomas Aquinas University Parish 2018-present

- I have been involved heavily with St. Thomas for the past two years.
- I attend their weekly bible study and weekly catechism and fellowship.
- I also help in the organization of weekly programming and retreats.
- I've learned skills of leadership and responsibility while being in charge of many tasks.

### Worship leader, St. Thomas Aquinas University Parish 2019-present

- I am the leader for the St. Thomas student music ministry.
- My role includes coordinating songs, instruments, and leading practices and worship times weekly.
- I've learned communication skills so that I'm able to communicate between those in music ministry and the campus ministers.

### Habitat for Humanity/ Jericho Way Homeless Center July 2018

- During all of my experiences at homeless shelters, I would be delegated to do repairs or paint jobs for the centers.
  - From these experiences I learned skills of hardwork and generosity for those that are less fortunate.
- 

### Starbucks Barista

- Being a Starbucks barista has taught me very valuable skills from a young age, including customer service, personal responsibility, hard work, time management, and communication skills.
- I worked part time while in high school and I continue to work part time while being a full time student at the University.
- My job requires:
  - Being on bar for long periods of time and making drinks in a timely manner
  - Conducting transactions and orders through the drive thru window and front register
  - Cleaning the store, for example, cleaning the machines, mopping, and completing opening and closing tasks
  - Warm food
  - Prepare a variety of key ingredients for the drinks, ex: mocha, whip cream, sweet cream
  - Create customer connections, for example, greeting customers who walk through the door, have meaningful conversation while conducting transactions, and make every moment right when a drink is made wrong or if another issue arises.
