EXPERIENCE

RESIDENT ASSISTANT

University Housing, University of Arkansas-- Fayetteville, Arkansas August 2021-Present

- Responsible for a Resident Hall floor of up to 82 students
- Mediated and found solutions to roommate disagreements
- Managed front desk operations and assisted residents with any needs
- Planned and facilitated a monthly program to build community within the building
- Held the duty phone on weekends or weekdays and responded to any emergencies or issues in the building

SALES ASSOCIATE

The Container Store-- Plano, Texas

JUNE 2021-DECEMBER 2021

- Helped customers locate products and checked the store computer system for merchandise at other sites
- Maintained the store after hours to prepare it for the next day
- Managed the cash register to ensure that every customer was satisfied with their purchase, exchange, or return of products

SALES ASSOCIATE

Sunny Paige Frisco-- Frisco, Texas

JUNE 2018-AUGUST 2020

- Attended to the needs of every customer that entered the clothing boutique
- Prepared clothing for the sales floor by pricing, tagging, and steaming
- Organized inventory and kept the store in a clean and orderly manner

DESIGN EXPERIENCE

GMINA

- Used Revit and Photoshop to design this 96,000 square foot multi-building retirement complex in Poland
- Building includes a variety of room types, a rooftop greenhouse, common areas and kitchens, a gym, chapel, daycare, and two restaurants
- Accommodates people of all ages and disabilities
- Final deliverables included renderings, reflected ceiling plans, diagrams, rendered floor plans, sections, and elevations

THE PERENNIAL

- Used Rhino to design this 12,000 square foot, two story contemporary art gallery
- Includes multiple galleries, a meeting space, private office, a bar, and outdoor garden
- Geometry influenced the design of partitions and ceiling features
- Final deliverables included diagrams, plans, sections, reflected ceiling plans, and rendered perspectives
